Message from the Chair & CEO

Dear Community members,

With fall approaching and activities bustling at our centre, we're pleased to connect with you to share what's coming up, as well as the incredible progress we've made in our latest investments and essential improvements to our beloved community centre.

We're excited to invite everyone in our community to join us for the first-ever Dakota Community Family Fun Days, taking place at DCC August 18th & 19th! Stage Entertainment featuring some awesome local bands and children's entertainers, beer gardens, food trucks, beach volleyball and dodge ball tournaments, face painting, kids games and bouncers, outdoor movie night, fireworks and so much more! We hope to see you all at this FREE and fun community event!

On the redevelopment front, extensive upgrades on our aging twin-pad ice plant are now complete, adding more than \$1.7m of new and upgraded infrastructure, ensuring our rinks will be energy efficient and functioning for the next 25 years. We're excited to have our ice back and to see it full of activity once again.

As well, our \$850K equipment & fuel storage building is under construction beside the waterpark at the west end of our campus. This facility will provide much needed storage for our fleet of equipment, vehicles and outdoor ice resurfacer. Our sincere thanks to the Province's Arts Sports and Culture Grant

for providing 50% of funds to support both these important projects.

This fall, our Great Hall on the second floor of the Sportsplex will get a much needed \$500K facelift, with help from the Province's Building Sustainable Communities Grant. This space will be modified so that it can continue to host large events, but also be adapted to accommodate multiple smaller events, simultaneously. With all of these investments in our Centre, we are preparing for another major expansion that will see a third arena and many other amenities and site improvements to DCC. More info coming soon!

It was also a busy spring/summer, welcoming large scale events back to our community centre. We were very proud to once again host convocation ceremonies for 800+ graduates from six local schools, and more than 5000 of their friends and family, who celebrated these important milestones at our centre during the last week of June. In late July, the World Police & Fire Games came to DCC to compete in both Pickleball & Volleyball competitions (and enjoy our warm DCC hospitality!) We also welcomed back the Grain Challenge & Pickleball tournaments, as well as hosted two Family Movie Nights, using our new outdoor movie screen.

We are eternally grateful to the more than 150 active volunteers who give of their time at DCC for various regular roles and for many of our special events and needs. Volunteers remain the lifeblood of our Centre and their contributions allow us to continue to do our best for our community! We are always looking for more volunteers to join our team so check our website to apply. Thank you all!

In this issue, you will find a wide-array of programming and events taking place this fall/winter, including our 3rd annual Skate with Santa, our Little Lazars programs with mini soccer and dance classes in partnership with the Royal Winnipeg Ballet, Track & Fitness Centre memberships, new Fitness and Adult learning classes, learn to play pickleball and so much more...please take time to review this exciting issue and register today!

We hope you continue to enjoy this twice a year opportunity for us to connect with you. Our sincere thanks to all our sponsors and advertisers who continue to support the cost of bringing it to your homes.

See you at Dakota Community Family Fun Days,

Christian Kennedy, Board Chair
Michele A. Augert, CEO

Facility Upgrades

Our facilities are getting some cool new perks.

Ice Plant Upgrade Complete

Ice at both arenas were back in mid-July after 11 weeks of extensive upgrades and repairs, bringing much needed efficiency and environmental improvements and to ensure quality and reliability for many years to come.

New Storage Garage

Construction has begun and our new storage garage will be ready early this fall. This much needed facility will house our Jumpstart Rink ice resurfacer as well as all the tractors, fuel and equipment needed to maintain our campus and the 32 playing fields in our community.

Great Hall Upgrades

With the help of the Province's Building Sustainable Communities Grant, our Great Hall is undergoing a major redevelopment beginning this November. The new space will be modern and flexible, perfect for meetings and gatherings of all sizes.

Follow us on social media or make sure to get our electronic newsletter - 'The DCC Buzz' - for updates on when you can start booking these great new gathering / celebration spaces.

Athlete Spotlight

Meet DCC Pass Holder Chris Cauthers

"I love that the fieldhouse is close to home, clean and bright. I'm a runner year-round and the track provides a safe training space where I don't have to worry about slips or falls."

"As a District Chief of Paramedic Operations, I work shift work so exercise is an important part of my physical and mental health and allows me to stay centered."

Weight training two days a week was part of my regimen this summer as I prepared to compete in the WPFPG with the Winnipeg Paramedic Dragons."

What's next?

"I'm looking forward to hitting the ice with the Olden Knights in Dakota's Adult Hockey League"
