Message from the Chief Executive Officer

By now, many in our community have taken notice of the new Fieldhouse that has quite literally materialized on our campus in the past several months. This tremendous undertaking has involved the commitment and passion of so many leading up to and throughout the 20 months of construction, that it is impossible to start naming individuals. But the main thing I want to underscore as we prepare to open our doors later this fall, is that this place belongs to you – our community.

The Fieldhouse and soon-to-be-built Outdoor Rink are Phase I of a larger campus redevelopment plan for Dakota CC (see page 8) that will see the ongoing enhancement of our facilities to best serve the growing needs of our community and, continue as one of Manitoba's premier sport and recreation destinations.

In addition to the Fieldhouse that will bring a 'world class' element to our community, the new outdoor rink will be a year-round, accessible recreation space, featuring ice sports and activities in winter and, beach volleyball during summer months. This much anticipated amenity is an integral part of our future and, made possible in partnership with government and private sector donors and sponsors.

As plans for the Fieldhouse Opening Celebrations are being finalized for the fall, you will be invited to come see this wonderful new facility and learn more about the program and membership offerings available for you and your families. Please stay tuned to our e-news and *The Lance* or, visit our website, where further details will be shared in September. I hope you will join us!

Building Opportunities/Transforming Lives - Your Donation Matters

We celebrate the spirit of giving and investment of all donors to the Dakota Futures Capital Campaign and want to make this an inclusive celebration of our community and the future vision of where and how we live.

We are pleased that in collaboration with our community, government and private donors we are in the 'community phase' of our campaign and now we need you – our community - to help us take this over the top as we reach for the final 20% of our goal.

Your donation matters very much, no matter what the amount. We encourage you to use the donation envelope enclosed to make your contribution to *Dakota's Future* and help complete this phase of our campaign. You can also contact us donations@dakotacc.com or 204-254-1010 x 211) to use your credit card to make an online donation.

We sincerely thank you for your investment in Dakota CC, for now and for future generations.

While we begin a new era at Dakota CC, I remain extremely grateful for the hardworking Staff, Board and Volunteers who have given us the opportunity to truly celebrate the addition of our new Fieldhouse and 30 years of excellence in our community. I'm so proud of all that has been accomplished and looking forward to celebrating our past success and very bright future with the entire community very soon!

Vision, Mission and Values

Our Vision: An engaged, healthy, vibrant community.

Our Mission: A gathering place providing excellence in recreation and sport for everyone.

Our Values:

- **Inclusiveness:** welcoming, safe and accessible
- **Teamwork:** partnerships and volunteerism
- **Fairness:** responsibility and respect
- **Opportunity:** nurturing and achieving potential
- **Excellence:** exceptional facilities and programs

Message from the Board Chair

30 Years of serving our Community

Yes, you're reading the new signs outside (and inside) the building correctly: Dakota Community Centre has turned 30 this year!

That message may have been drowned out a bit amidst the spirited celebrations of 'Canada 150' this summer. But we're still pretty proud of how Dakota continues to serve our community going on 30 years strong, and I hope you're proud of it too.

Dakota is undergoing an exciting transformation. What started out in 1987 as a modest gathering place for a small but growing suburb, will soon be seen as having 'grown up' into a vibrant, multi-use community hub that provides sport and recreation opportunities for everyone. It has certainly been a privilege to play a role – even if it was a small one – in this ongoing transformation, as a community volunteer and board member.

No doubt many of you are as excited as I am for the opening of our brand new, state-of-the-art Dakota Fieldhouse! The 60,000 square foot facility – complete with sport courts, a running track, yoga studio, exercise equipment (and more!) – will provide a phenomenal year-round recreational space for our members and

guests. Add to that the reintroduction of an outdoor ice rink at Dakota (with more projects on the way), and our campus redevelopment is shaping up very nicely! (see page 8-9 for more detail)

Through our continued reinvestment in the Centre, Dakota's board of directors remains committed to meeting the changing needs of our community. And although much has changed since the club was first introduced three decades ago, our core values have stayed the same.

"We believe that our Centre will be seen as a leader in community programming – and a place that our members are extremely proud of – for many years to come."

Those values were articulated in our strategic plan, and they remain: Inclusiveness, Teamwork, Fairness, Opportunity and Excellence. They continue to guide our efforts to promote community-based health and wellness, and they will continue to shape Dakota into the future. We believe that our Centre will be seen as a leader in community programming – and a place that our members are extremely proud of – for many years to come.

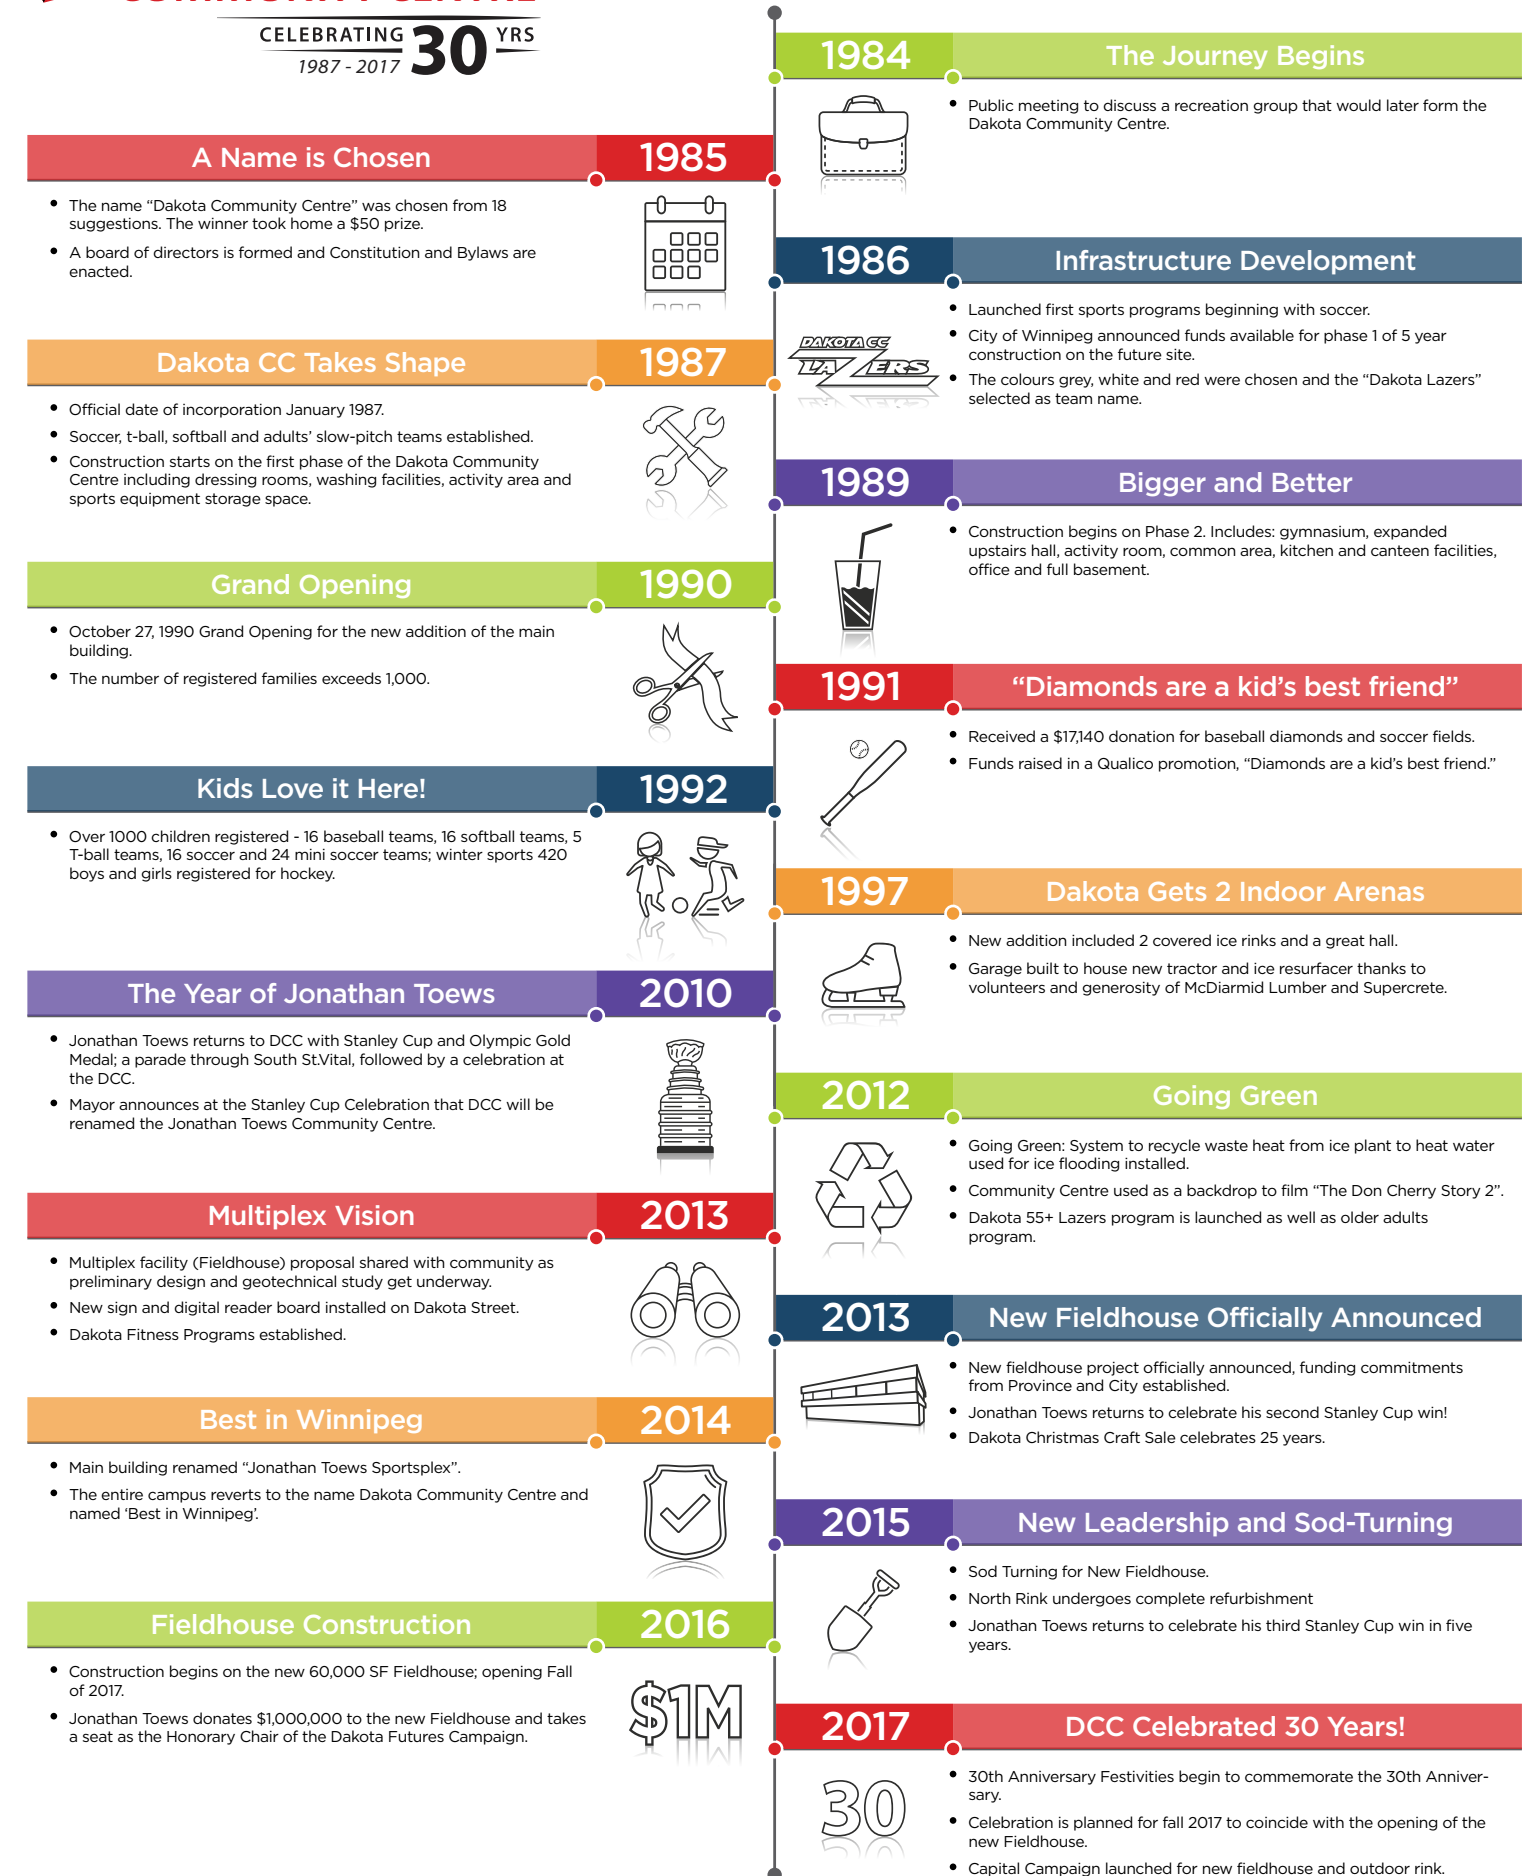

As we celebrate and reflect back on 30 years, we are profoundly grateful for our club's founders, for the countless volunteers both past and present, and our amazing management team and staff. And of course we are especially grateful to YOU our community members, for your continued support of our club.

It's no surprise to me that Dakota Community Centre is so often referred to as the best community centre in Winnipeg. I know it is, because together we have made it so.

Tom Thiessen
Chair, Dakota CC Board of Directors

Phase I - Dakota CC Campus Redevelopment Plan

We are very close to reaching our goal for Phase I of the Dakota Campus Plan. Now is the time to reach out to the wider community - small business, associations, individuals, private funders - and ask you to help us meet and surpass our goal. We are 80% there!

Of utmost importance to the Board, Campaign Cabinet and Staff is that we respectfully honour, steward and celebrate the investment of all donors to the Dakota Futures Capital Campaign.

Multi-year pledge fulfillment schedules and donation options. Multi-year pledge fulfillment schedules or other options such as a monthly or quarterly opportunities also make it easier to budget.

For example, a \$5,000 pledge over 60 months or 5 years equals \$84 a month or \$2.80 a day. We will work with you to make this work for your needs either as an individual or as a business owner.

Every Dollar Counts

There are a number of ways that everyone can participate in a meaningful way. We have options for a planned gift such as a charitable donation tax credit or an estate gift. We have a number of options to take advantage of that would suit your budget.

Sponsorships are another way to leave a legacy with a number of opportunities

that are still remaining for a business or family gift to make a difference.

Individual gifts or small business gifts of any size help us reach our goal.

Matching Gifts

Many companies and small businesses have a policy and practice to match donations that their staff make to fundraising campaigns such as the Dakota Futures. Ask your Human Resource department about your company policy and the procedure to follow. This is an easy way to increase the value of your gift and help us build our community for the future. We salute a number of community-minded companies that have this policy and we encourage you to check with your company about their policy and practice. Most companies will double or match your gift 2:1.

If you would like more information please email us at: donations@dakotacc.com or call us at 204-254-1010 ext 211.

For your convenience please find the attached envelope that you can drop off with your donation at the Community Centre or drop it in the mail or call us to make an online gift.

Please note that charitable receipts will be issued in February and March 2018 from the City of Winnipeg, which is deemed the qualified donee. All funds raised go 100% to Dakota Community Centre.

YES! I want to support this community endeavor with a donation.

I prefer to make a one-time gift of :

\$15 \$25 \$35 \$50 \$100 \$500 Other

I would rather make a pledge right now and speak to someone about a pledge payment schedule that suits my budget and timeframe. I am thinking of a pledge of:

\$500 over 5 years \$1000 over 5 years
 \$2500 over 5 years \$5000 over 5 years

My company is interested in a sponsorship opportunity. Please contact me with more detail.

I am interested in speaking to someone on the Cabinet about a planned or future gift through my company or small business.

Name: _____
Address: _____ City: _____
Prov: _____ Postal Code: _____
Email: _____ Phone: _____

I understand that a charitable donation receipt will be issued to me in February 2018 from the City of Winnipeg.

DAKOTA FUTURES CAPITAL CAMPAIGN PHASE I AT A GLANCE

Fieldhouse in Final Stages of Construction - Will Open to the Public Later this Fall

After nearly 20 months, construction on the 60,000 square foot Fieldhouse addition at the Dakota Community Centre is nearing completion! On the outside, the external site work is wrapping up and looks amazing with all the new paving and landscaping! Inside, the hardwood floors are being installed and other finishing details are being undertaken to ensure everything is in place when we're ready to open!

Planning is well underway to open the Fieldhouse to the public later this Fall - more details will be shared as they are available in the coming weeks and months!

Please stay tuned to our eNews and website for information related to opening events, space rentals and individual membership options to access the mezzanine/track level in the new facility!

Dakota Ringette

Registration will commence
August 26, 2017 and will
run until September 5, 2017

Over the past several months, Dakota Ringette and the Bonivital Ringette board members have spent considerable time working with our partners (the Community Clubs of: Southdale, Dakota, Winakwa, Glenwood and Greendell), to amalgamate our ringette programs. The goal is to provide better competition throughout our age groups and divisions.

For the upcoming season, Dakota Ringette along with BVRA, will launch Phase 1 of our amalgamation initiative by centralizing registration via an on-line process.

Please follow the link provided here or go directly to the BVRA website <http://www.bvraringette.ca/>

As we continue to work with our community club partners, subsequent phases will be announced and rolled out to further enhance the experience of playing Ringette in the St. Vital & St. Boniface communities.

Further information can be found on the BVRA website <http://www.bvraringette.ca/>

Mini Soccer 2017

362 players and 53 coaches participated in this year's fun and exciting Mini Soccer season spread across 10 playing fields in the south St. Vital area. Despite the weather being damp and wet the Mini Soccer windup, Saturday, June 24, was a great end to a great season. A few hundred parents and kids made it out to the community centre for a hot dog, chips, and a drink. Kids enjoyed inflatable bouncers, face painters, and even a dog show.

THANK YOU to all the kids, parents, coaches, for making it a great soccer season. Dakota CC looks forward to another great Mini Soccer season next year!

Dakota Youth Sport Council

Established by Dakota CC's Board of Directors the Dakota Youth Sport Council is responsible for all matters directly related to the conduct of Dakota Community Centre's youth sports program. The council is responsible for addressing youth sport program needs and issues which further board direction, support or input may be required.

The first Council meeting took place in April 2017 chaired by Christopher

Chapman, Member Accountable for Sports Programs and a member of Dakota CC's Board of Directors. "The council was formed so we could set goals as a unit," states Chapman.

Playing a vital role in the St. Vital youth sport community the Dakota Youth Sport Council continues to be the centre for important discussions involving youth sports at DCC.

Are you prepared for an emergency? ERIK (Emergency Response Information Kits) Pick up

Dakota Community Centre has ERIK kits available for pick up to aid you in the event of an emergency. These kits can be picked up at the front office free of charge (when picking up 1 or 2 kits).

If you want to pick up a larger number of kits please contact Jared Neufeld at 204-254-1010 Ext. 207 or by e-mail at jared@dakotacc.com
