Message from the Chair & CEO

Dear Community Members,

As the days start to get longer signalling that spring is on the way, we'd like to update our community on what we've been up to at Dakota CC this past season and share some of the exciting things coming to our community centre in this, our bi-annual program guide.

The Holiday season was off to a bustling start with our annual 'sold out' Christmas Market, held during the first week of November with more than 95 vendors on display. Big changes are in store for our 2024 Christmas Market as it moves to the Fieldhouse, nearly doubling the amount of vendors all in one great space! Stay tuned for more information on this exciting new take on a long standing tradition at our Centre.

Skate with Santa was back again with more than 500 participants enjoying a fun filled day on the ice with Santa and his friends. Our sincere thanks to our many sponsors who made this free community event possible. We've also welcomed some new sponsors and advertisers to Dakota CC in recent months who continue to benefit by being part of our vibrant and busy

facilities and programs. We remain grateful to all of you for your continued support.

With the completion of our Ice Plant upgrade in late summer and our new Storage Garage completed in the fall, our Great Hall renovation project began in early November. This nearly 1.1 million dollar investment will see this space modernized to host a variety of events and meetings of various sizes, and is on track to be ready for rentals in late March/early April. See pages 5 and 6 for more details on this modern and fully accessible space.

We know that many of you saw the news reports about the exciting new arrangement we entered into this past fall with the Mashyna Family, recent immigrants from Ukraine who have been running our food services through the Centre Ice Café. In addition to regular canteen fare, Olha, her husband Oleksandr, and their team have been serving up delicious, traditional Ukrainian food offerings to patrons of our Centre – and some who drop by just to sample their creations! Thank you to our community for your continued support of this unique service at DCC.

Our Board welcomed three new members at our AGM in November, with Sharan Tappia, Scott Macaulay, and Joe Langan joining our team. We also bid farewell to long serving member Darren Neufeld who served as the Centre's treasurer since 2016.

Thank you Darren for your outstanding commitment to Dakota CC!

Spring is bringing some new offerings to our Centre, including the Spring Smash Pickleball tournament in early April, free seniors information sessions where experts will provide advice and insight on a number of topics of interest, a golf swing series led by a PGA Canada Golf Professional, and much more.

We hope you enjoy this expanded issue of our program guide and all that is available to you through our Centre this coming season.

Summer Camps

Choose your own adventure.

DCC has a variety of summer camp options for your child. In July and August, we'll be offering two camp options each week for your children to have fun, be creative, and get active!

Active Explorer (Ages 6-10)

Being active is the name of the game! Kids will have a chance to explore a variety of sports and active games/activities while learning about teamwork and developing physical literacy and social skills.

Cost: \$242

Multi-Sport (Ages 10-13)

Similar to our Active Explorer camp, but for kids who are older and have more sport experience. Kids will explore a variety of sports and activities while developing some sport-specific abilities and enhancing their teamwork skills.

Cost: \$242

Art Camp (Ages 6-10)

Get creative! Kids will have the opportunity to use a variety of media (e.g. paint, chalk, clay, pencils, etc.) throughout the week. Make space on your fridge as the kids will be able to bring home their final art project at the end of the week.

Cost: \$242

eSports (Ages 8-12)

This isn't playing video games all summer in your basement! Kids will spend time each day learning and honing their Nintendo skills, while taking time away from the screen to explore some of the sports and physical activity options of our Active Explorer and Multi-Sport Camps.

Cost: \$242

Hockey Development Camp (Ages 7-12)

These full-day camps will include two on-ice sessions daily where the focus will be on improving fundamental hockey skills. Off-ice our participants will be exposed to a variety of sports and games meant to improve coordination, balance and fitness.

Cost: \$475
