Message from the Chair & CEO

As another beautiful summer wraps up, we'd like to share with you some of the happenings at Dakota CC this past season, and share some of the exciting things coming this fall/winter in this, our bi-annual community magazine.

June was very busy month at Dakota as we hosted Grand Openings for both our newly renovated **Dakota Event Hall** and our **Outdoor Fitness Playground**. **Convocation week** June 24th- 27th saw nearly 6500 graduates, family and friends from 5 local high schools celebrate this milestone.

The **Dakota Event Hall** (formerly the Great Hall), hosted an Open House to give everyone a first look at our newly renovated space. This **modern and fully accessible space** features built-in A/V and moveable walls that allow multiple room size configurations for groups from 100 to 500. Attendees saw the adaptability of the space for meetings, classes, celebrations of life, wedding/ baby showers, as well as formal dinners or receptions. The **new catering menu for Centre Ice Café's own Mashyn Family Food** was launched at this opening, treating attendees to sample the delicious fare, including their much-loved Ukrainian delights!

Our **new Outdoor Fitness Playground**, was made possible with contributions from DCC and Government of Canada Community Revitalization Fund (CCRF). Located north of the Louis-Riel library, this playground is a unique addition to the campus and features several pieces of fitness equipment made specifically to appeal to children's desire for adventure, while providing them with age-appropriate challenges created to encourage climbing and jumping and improve strength, balance, agility, hand-eye coordination and problem solving.

We at DCC remain incredibly proud of the **\$4.1 million in upgrades and improvements** made to our centre over the past 18 months, including \$1.7m in arena/plant upgrades; \$850K maintenance/storage garage; \$1.2m in Great Hall Renovations (Dakota Event Hall); \$145k Outdoor Fitness Playground as well as nearly \$200K in improvements including new security cameras and other equipment. This level of reinvestment is unmatched in our City and it is only through our strong leadership and support of community and our donors that we can continue to bring the best facilities and programs to Dakota CC.

We are busy preparing for another fantastic fall and winter of programming and events. Beginning September 9 - 13, **Doors Open Dakota**, invites everyone to come try some programs at no cost. Our Annual **Dakota Community Family Fun Days**

and **Winnipeg 150 Celebration** will take place **September 13 & 14**, featuring 2 days of fun and entertainment for the whole family. Live stage entertainment, beer gardens, outdoor market, bouncers, games & more! Everyone is welcome and encouraged to attend this free fun family event! Our "NEW" annual **Christmas Market** has doubled in size with over 130 vendors and will be held the Dakota Fieldhouse **November 2 & 3!** Don't miss this great kickoff to the Holiday Season!

With my move to Past Chair following our upcoming **AGM on November 26**, I want to express my sincere gratitude for the opportunity to serve as DCC's Board Chair for the past 4 years. I'm very proud of all we have accomplished and grateful to work with the amazing staff and volunteers on our Board during my tenure.

We hope you enjoy this expanded issue of our news magazine and all that is available to you through our Centre this coming season. See you at Dakota Community Family Fun Days September 13 & 14!

Recapping notable moments in 2024.

Event Hall Grand Opening

The newly renovated Dakota Event Hall was formally opened on June 11th as we welcomed the public to explore this new dynamic and modern space. Featuring a sampling of the new Centre Ice Café catering menu, the rooms were set up to display multiple configurations for meetings, showers, and formal events.

Fitness Playground Grand Opening

Our DCC campus is now home to a new community Fitness Playground, thanks in part to an investment through the Government of Canada Community Revitalization Fund. Completed this spring and officially opened June 21st, this new fitness playground adds an outdoor space for children and teens to improve their strength and coordination through play on the various pieces of equipment in the playground.

Convocations

June 24th to 27th was convocation week in the Dakota Fieldhouse. Over 700 students and 6,500 family and friends from Centre scolaire Léo-Rémillard, Collège Jeanne-Sauvé, Windsor Park Collegiate, Louis Riel Arts & Technology Centre and Collège Béliveau joined us for this magical week. Congratulations to all the graduates!

MESSAGE FROM CITY COUNCILLOR MARKUS CHAMBERS

Celebrate Winnipeg's 150th Anniversary at Dakota Days!

In 2024, Winnipeg marks 150 years as a City, recognized on January 19th, the anniversary of the first Council meeting. This milestone is a unique opportunity to reflect on our past and look ahead to our future.

Our office is partnering with the Dakota Community Centre on September 14 of Dakota Days, to mark this historic milestone with exciting activities, live music, interactive booths, food trucks, and a special time capsule ceremony.

We only get one chance to celebrate Winnipeg 150, so come out and enjoy all the festivities throughout the year!
