**Kick Off Another Exciting  
Season of Mini Soccer!**

Program Details on Page 16

## Message from the Chair & CEO

Dear Community Members,

With another busy winter season wrapping up and spring on the way, it's time to update our community on what we've been up to at Dakota CC this past season and share some of the exciting things coming to Dakota this spring/summer.

Following our November AGM, I was honoured to accept the role of Board Chair for 2024/25, taking over from Christian Kennedy who served as our esteemed Chair for the past 4 years. We are delighted Christian will stay on as Past Chair for the coming year and welcome Joseph Langan, in his new role as Vice Chair. We would also like to thank Christian for his many years of dedicated service and extend our heartfelt gratitude to all who continue to dedicate their time and talents to serve on our Board of Directors.

The 2024 Holiday season was off to a bustling start with our annual Christmas Market taking place for the first time-ever, on the entire main floor of our Fieldhouse. More than 140 vendors participated with thousands of people from our community and beyond attending this impressive annual special event during the first weekend in November. Plans are already underway for next year's even bigger Christmas Market!

Skate with Santa was back again with more than 500 participants enjoying a fun filled day on the ice with Santa and his friends. Our sincere thanks to our many sponsors who helped make this free community event possible. We've also welcomed several new sponsors

and advertisers, all who recognize the benefit of being part of our vibrant and busy facilities, programs and events. New advertising and sponsorship opportunities are always available - please see page 4 for more info on how you or your business can be part of the excitement at Dakota!

As our new Director of Hockey & Ice Programs, Tyler Riel has been instrumental in seeing some exciting new youth programs come to Dakota's ice under the *Lazers Hockey Club* banner, including a very popular 'Learn to Play' program for U7's. *Lazers Hockey Club* will continue offering learn to play, skill development, 4 x 4 youth league and hockey camps this coming spring and summer - check our website for registration details. Our *Lazers Hockey Club* also hosted the first ever Christmas Classic tournament where teams of U9's and U11's enjoyed two days of fun over the holiday season, with plans already underway for next year.

Dakota's Centre Court Cafe continues to flourish and is quickly becoming a well-known 'Winnipeg Food Destination', with Mashyn Family Foods operating year-round and now serving up their Ukrainian speciality items through SkipTheDishes. The Mashyn Family and Dakota were also proudly featured at a recent Winnipeg Jets 'Ukrainian Heritage game night' with a special video feature on the game's Jumbotron, as well as supplying much of the Ukrainian food sold at the game that night. They will continue serving up food at Dakota all year round so be sure to come and support this amazing community gem!

After more than \$4 million in infrastructure investments and improvements in 2024, we continue to enhance our facilities for the benefit of the community. This year, we've

been successful in securing a City of Winnipeg Renovation Grant (\$100k) to support the installation of accessible seating/viewing platforms for both the north and south rinks. This important investment will continue to ensure that Dakota's facilities are fully accessible to all of spectators in our rinks each year.

This Spring/Summer season will see some new offerings added to our ever popular events and programs, like our Spring Smash Pickleball tournament (which will have a new social night), our Spring Adult Hockey League, 4 x 4 Youth Hockey League, and Kids Summer Camps. Registration for these activities fills up quickly so please go to our website and sign up now to avoid disappointment.

Exciting plans for future development/expansion at Dakota are coming together as we continue to work hard for our community and our beloved community centre. Stay tuned as we expect to have more to share with you in the coming months.

We hope you enjoyed this issue of our News Magazine & Program Guide. See you at the Centre soon! (You will find me there at 6 am most weekdays enjoying the amazing track at the Fieldhouse 😊)

# Christmas Market at Dakota CC

Local supporting local.

With a move from the Sportsplex gymnasium to our Dakota Fieldhouse, our 2024 Christmas Market doubled in space and provided an accessible shopping experience for all who attended. The market featured 144 makers selling a variety of products from baked goods to clothing to home decor and — with over 3,200 visitors over 2 days — the facility was buzzing with holiday shopping excitement.

Another new addition to the market in 2024 was the Future Makers area. We were very pleased to donate booths to 8 local businesses run by young entrepreneurs who entered our social media contest. This was the first opportunity for most of these makers to participate in a large market and they definitely impressed us with their booths, products, and salesmanship!

The Collège Jeanne-Sauvé Musical Theatre program joined us as they hosted a coat check to help raise money for their upcoming musical Charlie and the Chocolate Factory. This service was certainly a welcome addition.

Thank you to all of the shoppers, vendors and volunteers that helped make our 2024 Christmas Market on November 2<sup>nd</sup> and 3<sup>rd</sup> a huge success!

Our 2025 Christmas Market is scheduled for November 8<sup>th</sup> and 9<sup>th</sup> and vendor applications are now open on our website! Visit [markets.dakotacc.com](https://markets.dakotacc.com) to apply.
