# DAKOTA COMMUNITY CENTRE GROUP NIGHT

STARTING AT  
**\$62<sup>50</sup>**  
PLUS FEES

**OCT 26** SUN  
**5PM**

PURCHASERS ARE ENTERED TO WIN A SIGNED JONATHAN TOEWS JERSEY!

## Message from the Chair & CEO

He's Home! These words, for anyone who's part of our Dakota community, didn't require any further explanation, while gracing our sign boards following the news that Jonathan Toews would return to his hometown after signing with the Winnipeg Jets in late June. The buzz surrounding the return of our Sportsplex namesake and champion supporter continues as the Jet's prepare to hit the ice for another exciting season of hockey in our City.

Amidst the excitement of welcoming Jonathan back home, we're extremely proud to be working with the Winnipeg Jets to provide our community with a chance to see Jonathan as he steps on the ice, as well as acknowledge his long association with our community centre, on Sunday, October 26, when the Jet's host the Utah Mammoth. In this issue you will find information on how to purchase specially priced tickets for you, your family or your group of neighbours or friends, for this special game night. In addition, everyone who purchase tickets through this special offer will be entered to win an autographed Toews #19 Jets jersey, as well as be part of a special night cheering on Jonathan and our Winnipeg Jets and celebrating our wonderful Community Centre! We hope many of you will take advantage of this fabulous offer and join us at the game on October 26! (See details opposite this page for discount ticket offer!).

Our Board of Directors and Senior Leadership took some time this spring/summer to update the Centre's Strategic Framework and Plan as we look ahead to the next three years. While our Vision and Values remain essentially the same, we updated our Mission to be *'A gathering place for all, fostering social connection and excellence in recreation and sport'*, to better reflect who we serve and what we do each day for our community and beyond. In addition, our new Strategic Plan will have us focus on four pillars of priority — Place; People & Culture; Purpose and Partnerships, as we work to achieve goals related to facility expansion, engaging our community, focusing on our purpose and strengthening relationships with our key stakeholders. (See story page five).

This past spring also saw Dakota CC play host to the community for a number of local high school convocation ceremonies, as well as first-time hosting the LRSD Graduation Pow-Wow. It continues to be a special honour to be the backdrop to these important milestone and cultural events in our community.

With the support of a City of Winnipeg Renovation Grant award, we've also begun work towards the installation of accessibility platforms in both our arenas. When complete later this fall, these platforms will provide appropriate accessible seating and viewing for persons who cannot access seating in our existing stands. We are very proud to continue to prioritize projects to increase accessibility within our facilities.

We also continue to move forward with plans and activities to prepare for another phase of expansion to Dakota and excited that a community announcement will be coming soon. Please go to page six to learn more about what's under consideration and where we are in the planning process. We will be taking steps to gather more input from our community and share more details in the coming months.

The fall/winter season is shaping up to be another busy one at Dakota CC, with many programs and activities for all ages; Come try one of our programs at Doors Open Dakota (Free - Sept. 22 -26); Our famous Christmas Market runs again (Nov. 8 & 9), Skate with Santa (Free - Dec. 20), or just pop by for some weekly "Free" Public Skate or a Skate on the Jumpstart Community Rink, once the ice is in.

We hope to see you all at the Centre this season.

**Cory Shangreaux**  
Board Chair

**Michele Augert**  
CEO & President

## 2024/25 Board of Directors

**Cory Shangreaux**, Board Chair  
**Joseph Langan**, Vice Chair  
**Anthony Maros**, Treasurer  
**Christian Kennedy**, Past Chair  
**Sandy Nemeth**  
**Karlee Batchelor**  
**Matthew Awang**  
**Sharan Tappia**  
**Scott Macaulay**

Our Board of Directors are community volunteers who focus on governance and leadership, based on the Centre's Vision, Mission and Values.

Interested in serving on our board? Send your resume and cover letter to [info@dakotacc.com](mailto:info@dakotacc.com).

This year's Annual General Meeting is scheduled to take place on Tuesday, November 25 at 7 PM. Nominations are due by Friday, October 20, 2025.

We wish to acknowledge that the land we work, play, and live on in Winnipeg, is Treaty One land—the home of Anishinabek, Ininew, Anisininew, Dakota, and Dene people, and the home of the Red River Métis.

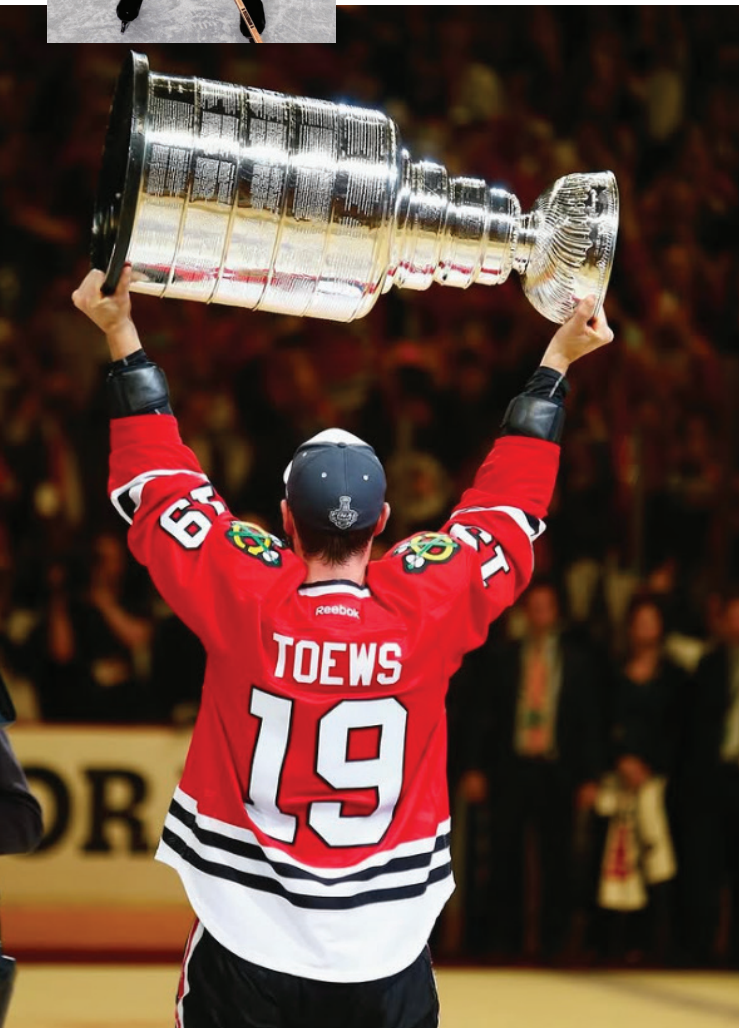

## Home Ice, Full Heart: Jonathan Toews Returns to Where it all Began

Jonathan Toews signing with the Winnipeg Jets is more than a return to the ice—it's a homecoming to his roots, and to the community where his NHL dreams first took flight.

“This is where it all started. To come back and wear Jets blue in the same community where I took my first strides on the ice, it’s incredibly special,” says Toews.

Born and raised in south St. Vital, Toews first laced up his skates as a Dakota Lazer at Dakota Community Centre (DCC). Years of hard work and determination led to his selection as the third overall pick by the Chicago Blackhawks in the 2006 NHL Draft. As captain, Toews guided the Blackhawks to three Stanley Cups championships in 2010, 2013, and 2015, each time bringing the cup home to celebrate with the DCC community.

Toews continued to shine on the international stage, earning Olympic gold medals with Team Canada in both 2010 and 2014. Following a brief hiatus from the NHL, he signed with the Winnipeg Jets in early 2025 to continue his remarkable career, this time on home ice.

“I’ve been fortunate to achieve a lot in my career and it has been really meaningful to be able to celebrate those moments with this community. Winnipeg has been a big part of my journey.”

Following his first Stanley Cup and gold medal win in 2010, Toews relationship with DCC took on a permanent legacy when the facility was renamed the Jonathan Toews Sportsplex.

In 2016, Toews further demonstrated his commitment to DCC by stepping up as Honorary Chair of the Dakota Futures Campaign, launching the construction of a 60,000-square-foot Fieldhouse with a transformational \$1 million gift.

“Giving back is my way of saying thank you—and hopefully helping the next kid believe in themselves the same way,” he says, crediting his parents, Bryan and Andrée, for their ongoing guidance and support.

“Nothing I’ve achieved would have been possible without my parents. They taught me about hard work, humility, and giving back.”

Toews influence on young players in the community goes far beyond the banners and trophies—it’s woven into the daily rhythm of kids lacing up skates at the Jonathan Toews Sportsplex.

Many young athletes see in Toews someone who once stood exactly where they stand now, on local ice, full of big dreams. His return to Winnipeg is a powerful reminder to local youth that greatness can come from right here in their own backyard.

As he reflected on what he hopes to pass on to the next generation, Toews shares:

**“Dream big, but remember: it’s the small days—the early morning skate, the extra practice, the way you carry yourself off the ice—that define you. Work hard. Be kind. And never forget where you started.”**

As he steps back onto the ice in the city where it all began, the community stands behind him with pride, gratitude, and open arms. His journey has inspired generations, and now, his return brings that inspiration full circle.

**Welcome home, Jonathan!**

# Investing in Our Future

At DCC, we believe great facilities don't just serve communities—they grow with them. Over the past several years, our team has worked to enhance and expand our campus—upgrading infrastructure, adding new spaces, and elevating every aspect of the experience we offer. But none of this would be possible without you, our incredible community. Your continued support, feedback, and active participation have guided our efforts every step of the way.

We're proud of how far we've come, and even more excited for what's ahead. *Thank you for growing with us.*

## DCC's Strategic Plan 2025-2028

In early 2025, DCC's Board and leadership team put together a three-year Strategic Plan for 2025 to 2028. This plan will serve as a roadmap designed to guide the organization's priorities and sharpen its focus as we move forward together.

Throughout the planning process, DCC's Board and leadership team engaged in thoughtful reflection, listening to voices from across our community, evaluating strengths and challenges, and exploring new possibilities for growth. As part of the process, 1,495 surveys were distributed to three key groups: board members, staff, and volunteers; donors and stakeholders; and our valued pass holders and program users. The insights gathered helped shape four core strategic priorities:

**Place:** Align community needs with capacity

**People and Culture:** Define and engage our community

**Purpose:** Stay focused on our mission and clearly define our goal

**Partnerships:** Strengthen, build, and leverage meaningful relationships

2017: Dakota Fieldhouse officially opens

2018: Jumpstart Community Outdoor Rink opens

2023: New storage garage and ice plant upgrades installed

2023: New fitness playground opens

2024: Dakota Events Hall opens

To support these priorities, we've also refreshed our guiding statements to reflect who we are and where we are headed:

**Vision:** A welcoming, healthy, vibrant community

**Mission:** A gathering place for all fostering social connection and excellence in recreation and sport

**Values:** Inclusivity, Teamwork, Fairness, Opportunity, Excellence

# Future Expansion

For years, DCC has been the heart of southeast Winnipeg—a place where families, athletes, and community members come together. But as our neighbourhood continues to grow, so does the demand for modern, inclusive, and accessible recreational spaces.

With aging single-pad rinks across the city and growing waitlists for ice time and community programming, the need for expansion has never been greater. Right here in our community, demand for ice has far outpaced capacity. That's why DCC has been working to lay the groundwork for something new.

### What's Being Considered?

DCC has begun to outline what an expanded facility could include, such as:

- A brand-new 750-seat arena—modern, accessible, and built for the next generation
- A childcare centre with capacity for 50+ children, plus a family play area
- A state-of-the-art fitness facility
- Upgraded food services
- A fully climate-controlled and accessible main entry
- Expanded parking and improved traffic flow

### What's Already Been Done?

Behind the scenes, a lot has already been accomplished, including:

- A full Campus Masterplan, building assessments, and public consultations
- Key upgrades to existing infrastructure including a new ice plant, storage facility, and event hall improvements
- In 2023, a detailed site location study helped determine the best locations for future growth

### What's Next?

The DCC team is currently working to establish a detailed business plan, a feasibility study, as well as actively exploring funding and partnership opportunities.

### Stay Tuned!

*We'll be sharing more details in the coming months—including ways you can help shape the future of DCC.*

# Around DCC

# Sobeyes

— ST. VITAL —

1500 Dakota St. Winnipeg, MB - R2N 3Y7

Franchise locally owned and operated

# DCC by the Numbers

DCC was established in 1987 and has been serving the community for **38** years!

Over **500** children participate in DCC's mini soccer programs every year.

The Dakota Hockey League has hosted over **100** teams with more than **1,800** participants every year for nearly **30** years.

over **2,000** individuals hold passes for DCC's Track and Fitness Centre.

Approximately **750** people play pickleball at DCC every week!

DCC maintains **32** playing fields across our catchment.

# New Director of Programming and Operations

DCC welcomed Mike Whalen as the new Director of Programming and Operations in early 2025.

Bringing 30 years of experience in nonprofit and community-focused roles, Mike has a clear vision: To ensure DCC remains a vibrant, accessible hub for the local community by delivering inclusive programs and efficient operations that reflect its needs and values.

“My focus is on making sure DCC stays rooted in the needs of the people who use it—keeping it local, accessible, and responsive to what matters most to our community.”

Mike brings a strategic approach to enhancing our operations, with a focus on improving program quality, increasing efficiency, and ensuring the DCC continues to be a lively, inclusive space where everyone feels welcome.

## DCC Reinvigorates its Hockey Programming

With the appointment of a new director and two dedicated staff members, DCC is marking a fresh start to its hockey programming.

“This is about building a grassroots hockey program the whole community can be proud of. We want families, new residents, and long-time locals to know there’s a place for them here,” says Tyler Riel, DCC’s newly appointed Director of Hockey and Ice Programming.

Tyler brings over 10 years of experience in player development, coaching, and community outreach to DCC. He has been coaching in Winnipeg since 2011, holding the position of head instructor at Keane Hockey Camp, and formerly operating his own hockey school, Riel Hockey Development.

Known for his holistic coaching philosophy and strategic program management, he is passionate about using sport as a tool for growth—both on and off the ice.

“After several years of working in hockey instruction and youth development, I’ve seen firsthand how powerful grassroots programs can be. We’re building something here that introduces kids and adults alike to the game in a way that’s fun, consistent, and supportive,” he explains.

Joining Tyler are Braden Gibbs, Hockey and Ice Program Coordinator, and Chris Avery, Coordinator for the Dakota Hockey League.

With a new team in place, DCC will be looking to build on its existing programs and to expand its hockey offerings for all age groups to meet current demands.

In his role, Braden, will lead the on-ice programming for DCC’s Lazers Hockey Club, including the U7 Learn-to-Play hockey program, an introductory program that welcomes kids to the sport.

“Whether it’s your child’s first time on skates or they’re dreaming of playing competitively, this Learn-to-Play program welcomes everyone who is willing to try. We’re here to help them learn, grow, and most importantly, enjoy the game,” Braden says.

Through the program, participants work through basic hockey skills while making memories on the ice.

“We know that every child learns differently. Our approach is supportive, flexible, and fun. Parents can expect more than just skating drills. We’re helping kids build friendships, develop resilience, and learn what it means to support others,” he adds.

Along with getting new players started, Lazers Hockey Club offers programming, camps, and tournaments for all ages and abilities.

While many of the hockey programs are being refreshed, DCC is mindful of its longstanding programs, in particular the Dakota Hockey League (DHL) which has been operating in the community for more than 25 years.

“The DHL has been a cornerstone of our hockey community. We’re putting in the work to bring back that sense of energy and camaraderie that so many people remember and value,” says Tyler.

Part of that work will fall to Chris, the DHL’s new coordinator.

“I’ve played in this league for over 10 years, so I know how much it means to the players and the community,” he says. “We’re focusing on consistency—regular schedules, clear communication, and a commitment to delivering a dependable experience week in and week out. We want to make this league a destination again—a place where players know they’ll get great competition, strong organization, and a solid night out with a great group of guys.”

With new leadership, a fresh vision, and an unwavering commitment to community, DCC is skating full speed into a new chapter—one that promises to honour the past, embrace the present, and build an even brighter future for local hockey at DCC.

# Unexpectedly AMAZING

**Sage Creek is a trailblazing community bursting with energy and life.**

**EVERYTHING YOU WANT IN A NEW HOME** Whether you are looking for a front driveway, a rear lane, a duplex, a condo or a custom build, consistent quality is the hallmark here, evident in the contemporary designs, lasting materials, new technology and attention to detail.

**EVERYTHING YOU NEED NEARBY** A network of paths and trails throughout the community connects you to Sage Creek's Village Centre – offering a growing list of shopping, dining, fitness and professional services – all just minutes from home.

**EXPLORE BUILDING NEW IN SAGE CREEK – IT'S FULL OF POSSIBILITIES.**

**VISIT A SHOW HOME TODAY!**

Show Homes open year-round.
