

We're hiring!

ARENA ICE OPERATOR

Days, evenings, and weekend hours. Let us know availability when you apply!

About Us

Dakota Community Centre (DCC) is a vibrant hub of sport, recreation, and community life in south Winnipeg.

Our 160,000 sq. ft. campus includes the **Jonathan Toews Sportsplex** - featuring two indoor ice surfaces!

Every day we welcome people who come to play, train, learn and connect.

The Opportunity

We're looking for reliable, hands-on, and customer service-focused individuals to join our Operations Team.

In this role, you'll help maintain safe, high-quality ice and facilities that support an exceptional experience for every visitor.

What You'll Do

- Prepare, resurface, and maintain indoor and outdoor ice surfaces
- Monitor refrigeration and HVAC systems
- Conduct routine facility inspections and perform general maintenance tasks
- Identify maintenance issues and maintain accurate shift logs
- Supervise and support rink attendants during assigned shifts
- Provide friendly, helpful service to all facility users and guests

What You Bring

- **Manitoba 4th Class Power Engineer (Refrigeration) or equivalent**
- Valid class 5 driver's license
- Strong problem-solving skills, collaboration, and teamwork skills
- Commitment to safety, quality, and excellent customer service.
- **Previous experience in arena ice maintenance**

Send an email to apply:
